PART III.—CONDITIONS OF SERVICE

9. Probation of members of the service.—(i) Member of the service who are appointed direct against permanent vacancies shall, on appointment to any post in the service, remain on probation for a period of two years and on trial for a period of one year in the case of promotion which may be increased for another year if his work so warrants and the Chief Engineer so decides:

Provided that a person who is already confirmed in an indential or an equivalent scale of pay and is transferred for appointment in the service shall not be placed on probation or on trial.

Explanation.—(i) Approved officiating service shall be taken as a period spent on probation but no member who is officiating in any appointment shall, on the completion of the probationary period prescribed be confirmed until he is appointed against a permanent vacancy.

(ii) If the work or conduct of any member during his period of probation or trial is, in the opinion of the appointing authority not satisfactory, the appointing authority may dispense with his services or revert him in his former post if he has been recruited otherwise than by direct appointment.

(iii) On the completion of the period of probation or of trial of any member, the appointing authority prescribed in rule 3 may confirm such member in his appointment if there is permanent vacancy, or if his work or conduct has in the opinion of the appointing authority not been satisfactory, may dispense with his services, or revert him in his former post if he has been recruited otherwise than by direct appointment or may extend the period of probation or of trial as the case may be and thereafter pass such orders on the expiry of the period of probation or of trial as the case may be as it could have passed on the expiry of the first period of probation or of trial as the case may be. Provided always that the total period of probation including extension, if any, shall not exceed three years.

10. Scale of pay of the service.—The grades of pay of each class of service are mentioned in Appendix “A” to these Rules subject to their revision from time to time.

11. Discipline.—In respect of discipline, punishment and appeals the members of the service shall be governed by the provisions of the Central Civil Services (Classification, Control and Appeal) Rules, 1957 as amended from time to time.

12. Seniority of the members of service.—The seniority of the members of the service shall be determined under rules issued in this behalf separately.

PART IV.—CONFIRMATION

13. The confirmation of each member will depend only on his good reports earned by him provided that there is a permanent vacancy available for him and provided further that he fulfils all other conditions laid down from time to time. The seniority will be secondary thing for the purpose of the same.

14. Passing of examinations.—The members of the service shall have to qualify examinations or to undergo training as may be prescribed by the Chief Engineer, from time to time for any class of posts in the service.

15. **Repeals and savings.**—These rules shall repeal all the letters on rules issued by the Himachal Pradesh Administration or by the Chief Engineer or the subject from time to time except that promotion and appointments already made or any other action taken shall not be set aside or affected.
